

Service Agent Position

PEI Mutual Insurance Company, Prince Edward Island's largest property and casualty insurer, has an opening for a Service Agent in Eastern Queens County, the area outlined in the map below. The company, with its Head Office in Summerside, is an Island owned general insurance company insuring properties on Prince Edward Island.

Qualifications for applicants:

- A university degree preferred;
- Excellent communication and interpersonal skills;
- Good organizational skills;
- High level of computer literacy;
- Ability to multi-task in a fast paced environment;
- A desire to service our policyholders.

The successful applicant will be servicing our existing policyholders and may be asked to live in the area being served. Continuous education is a requirement.

If you are interested in working for a successful Island company that is 131 years old, please send your resume to the following address prior to 5:00pm on March 3, 2017. No phone calls please.
